

7th Annual

Engineering Alumni Career Night

Tuesday, November 7
6 to 8 p.m.
UCI University Club

All HSSoE engineering students are invited to attend and learn about the various career options available to engineers from alumni working in the field.

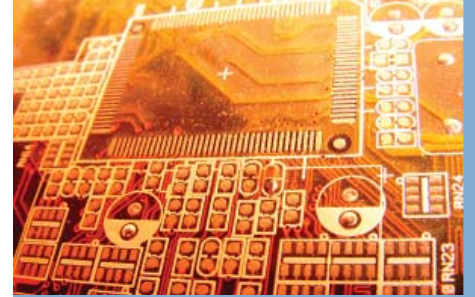

Enjoy **free food** and participate in roundtable discussions with alumni panelists sharing valuable info and insights on professional and research options.

Topics will include:

- Resume Tips, Tricks and Strategies
- After Graduation: Grad School or Industry?
- Career Options in Environmental Consulting, Mechanical Engineering and more
- Going for an MBA: A Wise Decision?
- Making the Most of Internships

Sponsored by The Henry Samueli School of Engineering, Engineering Student Council, UCI Career Center and UCI Alumni Association.

For more information, please contact Courtney Billing at cbilling@uci.edu or (949) 824-8546.
